TERM 2, WEEK 4

Friday 19th May, 2017

Dear Parents,

I hope all mothers was spoilt last Sunday. Alex and I were invited to lunch by our catch up I was surprised so it was a very memorable was impressed with how the the numbers of children their parents enroll in the were taught respect as grappling and there is no The children enjoyed the

was part of Nicole helper and with the two combined made the lesson very fun. The children is looking forward to another week of intense Ju Jitsu. I would need to remind parents that if your child is not signed up for Jiu Jitsu they will not be able to participate. If you wish to have your child participate please do approach Nicole to have your child on the permission form. For those that did not participate in Ju Jitsu participated in cooking delicious cake pops with Julie. The smiles from the children creating their own cake pop tells me a lot that they love cooking and couldn't resist eating those yummy cakes. On Monday 22nd May 2017 July vacation care will be available online at www.funtasticgems.com.au There are many fun filled programs as well as incursions and excursion available, however places are strictly limited so please do book your child in before it fills up fast.

Julie's Recap of the week

On Monday, Julie's group made Animal Masks with paper plates. The children picked the animals that they would like to make. They made various kind of animals in all different colours. It was a great opportunity to see their creativity. Nicole's activity consisted in the making of Paper Bag Tree posters. During the activity there were three groups in who were making the paper bag trees. Everyone in each group were given different task to do such as clouds, flowers, leaves and

oranges. The kindergartens had trouble drawing the oranges and the older children in the group helped them out. On Tuesday, while one group of children participated in the sports incursion, the other group made a Foosball table. Everyone who participated in the activity enjoyed playing with it. Some children gave their ideas on how to construct the foosball table. The children were very creative when it comes to construction activities. On Wednesday, Julie's group made Bird Nests on a Tree Mural. The children were working as a team to make a big mural. They were assigned to each group to make flowers, a tree and bird nests. Everyone who participated in this activity showed cooperation and creativity. Nicole's group made craft stick harmonicas. The children who participated enjoyed making the harmonicas. They were very intrigued with the musical instrument. Majority of them had no idea what a harmonica was but they were very eager to learn about it. On Thursday, Julie's group did a science experiment of making Rainbow Slime. The children were very excited to make slime. Everyone had their turn to make each colour of rainbow slime. All the children listened to the instruction carefully. They wanted to keep the slime they had made. Julie divided it into pieces so they could take it home. Diana's group made Paper Page Marker. The children followed Diana's instruction very well and they were to decorate their own page markers with different materials. On Friday, Julie's group did a cooking activity of making Cake Pops with the children who didn't participate in Jiu Jitsu. Tanya and Thashalia were in

charge of making cake batter and Julie baked it in cake pop machine. The other children were to decorate their cake pops with chocolates and sprinkles. They enjoyed the activity a lot and couldn't wait to eat them. Nicole did her second Jiu Jitsu lesson with the children. They were eager to learn Jiu Jitsu with excitement. They had so much fun.
