

# FUNTASTIC GEMS NEWSLETTER

TERM 2, WEEK 6

Friday 2<sup>nd</sup> June, 2017

Dear Parents,

Funtastic Gems Enrolments for the 2018 school year will be available from mid term 3, 2017. As numbers are increasing this year we will be taking new enrolment as well as re-enrolment earlier than expected to ensure parents secures their child placement for the following year. I have noticed how hard year 3 to 6 are working with their dance steps ready for the Talent Show On Thursday 22<sup>nd</sup>, 2017 and I wish them the very best of luck and to enjoy. Although Alex and myself would love to attend the show we however have a centre to still operate and cannot leave. Just a reminder to all parents that Vacation Care bookings will be closing end of week 8 Friday 16<sup>th</sup> June, 2017.

Thanks,

Diana

## Following Week Program

<b>Mon 12<sup>th</sup> June, 2017</b>	Queen's Birthday

## Star of the week

Chloe Luu

Chloe passionately participates in the activities and tries her best all the time. She never forgets pack-up after activities. Also she helps other children who are in need of help during the activities.

## Julie's Recap of the week

On Monday, Julie's group made Cyclops Origami. Julie displayed the screen to show the children how to make it. Some children followed the instruction well but some kindergarten children found it difficult to do Origami by themselves. Julie and two Y6 girls assisted those in need of help. The children liked their Cyclops a lot and they played with it after the activity. Nicole's activity was Face Painting. The activity was very

enjoyable especially with the choices the children came up with. Overall the face painting was fun and the children had a great time. On Tuesday, all the children participated in the sports incursion outside. On Wednesday, Julie's group did a craft activity of making Caterpillars with pompoms. K to Y1 children were encouraged to participate in this activity because it was fun and easy. They were to make a green leaf out of felt and make a caterpillar with little pompoms. The children enjoyed the activity a lot. Nicole's activity consisted in the making of a Room Name Banner. Every child was to design their own room name sign. They were very artistic on how they wanted it designed. On Thursday, Julie's group did Engineering Challenges. The children were separated into three groups and they were to build anything 3D such as a tower, a house or animals using paddle pop sticks, pegs and clips. They found this activity was bit challenging but they worked together. The children showed the activity. Nicole's group made given certain pokemon characters to Everyone in the group was telling characters and the certain abilities fun doing this activity. On Friday, making donuts. Julie made the dough different shapes with the dough. They wait to taste it. Nicole had her Jiu Jitsu learned how to defend themselves

constantly shared their ideas and creativity and imagination throughout Pokemon Balls. The children were colour in for their pokeballs. Nicole all about the pokemon they have. The children had so much Julie's group did a cooking activity of in advance and the children made enjoyed the activity a lot and couldn't class with about 20 children. They and everyone did a great job.
